REMARKS

A rough estimate of possible savings by closing Gulf Bureau 30 September 1986 is [redacted]

This is based on an analysis of their FY 87 budget and personnel severance costs. If some of the TCN's are transferred to other Bureaus, the cost savings in termination/severance not being applicable would be partially, at least, offset by reassignment costs and the increased costs to the gaining bureau.

This is just FYI. We have a detailed analysis, plus I've asked [redacted] for some input.
